

Certificate of Excellence

This to certify that the following authors

Hardi Ashishbhai Desai (National Institute of Technology Karnataka)
Dhruvi Bhavinbhai Shah (National Institute of Technology Karnataka)
Mani Prakash Yellaboina (National Institute of Technology Karnataka)
Girish K K (National Institute of Technology Karnataka)
Biswajit Bhowmik (National Institute of Technology Karnataka)

have won a track-wise best paper award for a paper with ID 987 having title ' A
Dynamic Hybrid Adaptive Routing Algorithm for Optimizing Performance in Wireless
Network-on-Chip Systems '

in the hybrid XXII Control Instrumentation Systems Conference (CISCON) 2025,
technically co-sponsored by IEEE Bangalore Section, held on August 01-02, 2025,
organized by department of Instrumentation and Control Engineering at Manipal Institute
of Technology, Manipal, Udupi, Karnataka, India.

Dr. Chinmay Rajhans
Convener,
CISCON 2025

Dr. Meenatchi Sundaram S.
HoD, Instrumentation and
Control Engg. Dept.,
MIT, Manipal

Cdr. (Dr.) Anil Rana
Director, Manipal Institute
of Technology, Manipal
